

Ceramic  
from the  
nature

Am. S. - S. S. S.

Seven sets of utilitarian ceramics were created.

**Nature textures, six themes:**

The eggshell, the rock, the wood, the lava, the cocoon of butterflies and the flower.

All parts are made to order. All are unique pieces, created in a handmade way, and therefore, they can be differentiated from each other.

Egg

For Sam Smith

**Tea pot**  
Bule de chá

**Coffee cup and plate**  
Copo de café e prato

**Two cups**  
Dois copos

**Two tea cups and plates**
